1. Welcome and apologies

The Chair welcomed governors to the planning and review meeting for the academic year. The above apologies were noted.

2. Declarations of interest

No governors declared a conflict of interest in any item on the agenda.

3. Minutes of previous meeting

The LGB approved the minutes of the meeting of Wednesday, 21 June 2017.

4. Matters arising

The LGB reviewed the matters arising from the previous meeting. It was agreed that the new principal would pick up the pending matters and provide an update on actions at the next meeting in the new academic year.

Karen Fowler joined the meeting

5. **UAE development plan & self-evaluation form**

The LGB discussed the Academy's development plan and self-evaluation form. The LGB noted that Ofsted provided positive feedback on the report, and that there has been good progress on the development plan.

The LGB noted that further data on both reports would be available in the autumn term.

6. **Student recruitment numbers**

The LGB were provided with a verbal update of the student recruitment numbers. It was reported that the projected number of students for 2017/2018 is 140.

The LGB discussed the potential boost in interest from students following the publishing of the 'Good' result from the Ofsted inspection.

The LGB discussed various options on how to better attract students and parents.

It was suggested whether the school should specialise in one special educational needs (SEN) condition, and work towards becoming an expert in the condition. The LGB noted that further discussion into the infrastructure of the school and capacity is required.

7. **Student progression**

The LGB were presented with the students' attainment and progress report. The LGB were pleased to hear of the 75% of students that are making better or expected progress towards their targets.

It was reported that year 9 students' progress is steadily catching up with years 7 and 8, which is leading to more standardised performance across the cohorts.

The LGB discussed the performance of male students in year 8, who are outperforming females. The LGB requested further review into the matter.

The Vice Principal emphasised the impact of the new Head of English on the performance of students, which will be seen in data presented in the autumn term.

The LGB discussed the benefits of thematic learning. The Principal would arrange to visit a school which focuses on high impact project based learning. An update will be provided to the LGB at its November LGB meeting.

8. **Staff recruitment**

The LGB discussed the current staff recruitment plans for 2017/2018. The LGB noted that a total of 20 new teaching staff will be joining the school in the new academic year.

The LGB discussed the turnover of staff at the school and queried whether any trends in departing staff needed addressing. It was reported that all departing staff left the school for the right reasons and not because of any underlining issues.

Karen Fowler left the meeting

9. **2018 meeting calendar**

The LGB noted the 2018 meeting dates. The Chair discussed the need for a welfare committee as safeguarding had increased in priority for DfE and Ofsted.

10. **Any other business**

The LGB discussed the feedback in the Ofsted report, especially on careers advice. The Chair reported that a part time careers advisor would be recruited to improve the service for students.

Date of next meeting

The UAE South Bank Vision.

The University Academy of Engineering South Bank will be an outstanding place of learning, specifically designed for the success and happiness of all students and staff and be an outward facing beacon of STEM and STEAM learning. We will remain a vibrant learning community which will play a significant part in the transformational change and regeneration in our area. This will be underpinned by our commitment to excellence through developing students confidence to communicate effectively, be creative and to constantly seek out new challenges to apply their skills to and in turn become a highly effective and valuable member of our society.

Summary Focus Objectives:

- To ensure good or better Learning and Teaching practices are consistently embedded across the Academy to ensure sustained outstanding performance.
- To ensure Behaviour and Attitude to Learning is at least good everywhere within and across our entire learning community.
- To ensure all staff are appropriately challenged, trained and supported at UAE SB to achieve the highest standards of professional behaviour and accountability.
- To ensure our learners receive the very best overall learning experience and preparation for life through the development of skills and professional competence.
- To ensure UAE SB is a safe, caring and supportive environment which allows all students, regardless of starting points or background, to flourish.
- To ensure UAE SB becomes a local and national beacon to other STEAM centred schools in achieving our vision.

Priority focus.. Effectiveness of Leadership and Management at UAE South Bank.

Overall effectiveness: the quality of education provided in the school: UAE Southbank Academy is good.

For UAE Southbank Academy to secure good and beyond: Learning outcomes need to be externally moderated and verified. Inadequate teaching needs to be eradicated. The majority of teaching needs to be good or better. Student behaviour needs to improve further, particularly in transitional times and free time. The curriculum at KS4 has been planned and accepted by the Governing body.

Effectiveness of leadership and management is good: The improvements necessary for the school to be good have been successfully implemented. Governors are starting to demonstrate the impact of the challenge they provide and middle leaders are being developed so that they can demonstrate the sustained impact of their work. There is now a shared culture of accountability. Regular monitoring ensures that the leadership team has an accurate assessment of the quality of teaching, which will be regularly verified by external review, this is enabling targeted support, which have led to improvements in the quality of teaching.

For Leadership to secure good and move to outstanding: The academy needs to engage all stakeholders. Governance needs to continue their restructuring process in order to secure clear lines of accountability, support and communication with the leadership team. Ensure the curriculum reflects the ethos of the academy and is broad and balanced in preparation for KS4 and KS5. Ensure the appraisal is robust and linked to academy improvement whilst being supportive of staff.

<p>The broad and balanced curriculum provides a wide range of opportunities for students to learn. The range of subjects and courses helps students acquire knowledge, understanding and skills in all aspects of their education, including the humanities and linguistic, mathematical, scientific, technical, social, physical and artistic learning. This supports students' good progress. The curriculum also contributes well to students' behaviour and welfare, including their physical, mental and personal well-being, safety and spiritual, moral, social and cultural development.</p>	<ul style="list-style-type: none"> • The curriculum is STEAM based with an emphasis on project based and themed learning across the academy. This provides instantly recognisable and transferable skills to different subject areas. The curriculum at KS3 is broad, balanced and appropriate. Option choices taken at the end of year 8 ensure high motivation and challenge for students. Aspirations for students are high as the vast majority of students have access to Triple Science, Engineering and Computer Science and the English Baccalaureate and the basket of 8 • Setting has been revised and the more able students are set together to allow for rapid progression. This is having an impact as the progress gap is closing for high ability students (HAPS) • The university has supported the academy by ensuring all students are Associate Students of the University (as are the Staff). The University staff run workshops for the Academy student and conduct demonstration sessions at the University for the Academy students to enhance their learning experience and enjoyment of the curriculum. • Students participate in Enrichment sessions after school (at least one compulsory session out of three a week) which helps promote STEM, sport and learning. Quality of teaching, learning and assessment is good: Staffing stability has improved since the appointment of a new principal, vice principal and assistant principal; the majority of teaching is securely good. The adoption of a new Learning and Teaching policy with a common teaching framework have the improved pace and challenge and therefore the progress of students in lessons.

For teaching, learning and assessment to be outstanding: The recently established learning cycle needs to continue on its journey towards being embedded. Planning needs to be focussed on promoting student response to feedback and more activity based learning to improve engagement. Coaching and support programmes need to be established for staff at all skill levels. Assessment data needs to show no significant gaps for key groups of students.

- 77% of students are on target to make expected or better than expected progress an increase of 2% from last module
- English performance has improved rapidly across the board since the appointment of a new LoL since Easter and appears to be in line with Maths and Science in year 7 and 8 and slightly better in year 9.
- Pupil premium students' progress continues to be in line with academy progress.
- MAPs and LAPs do well in year 7. In year 8 MAP performance has improved. Science and Maths LAP performance has declined in year 8 and 9
- Girls continue to do well in comparison to boys but id declining lightly in year 9.
- Year 9 progress has declined which is due to an adjustment to factor in summative end of year assessments

- HAPS have improved in year 7 and 8 mainly as a result of improvement in English. Year 9 HAPs have maintained most of the gains made from last module.
- Progress in Maths and Science remains strong and consistent in years 7 and 8 but less robust in year 9 where GCSE style end of year exams were introduced
- SEND performance has suffered due to inadequate staffing levels. This has been addressed by the new SENDCo
- There is more module variation within key groups than last due to introducing end of year exams.

Paper title:	Governing Body Membership
Board/Committee	University Academy of Engineering LGB planning and review
Date of meeting:	13 September 2017
Author:	Pervena Singh, Clerk
Purpose:	To update the LGB on its committee structure and membership of committees.
Recommendation	To note: 1. Committee structure and reappointment of governors 2. Membership of Learning and Teaching and Finance and General Purposes Committee

1. Committee structure and reappointment or re-election of governors

The Local Governing Body (LGB) is asked to note its current composition. In accordance with the South Bank Academies Scheme of Delegation the University Academy of Engineering South Bank's LGB should comprise a maximum of twelve local governors.

The table below shows the current governors and current vacancies.

	Governors	Category	Appointed	End of term
1.	Rao Bhamidimarri	Co-opted (Chair of LBG)	01/09/2014	31/08/2017
2.	Michael Broadway	Co-opted	01/03/2015	28/02/2018
3.	Natalie Ferer	Co-opted (Chair of Finance and General Purposes Committee)	01/09/2014	31/08/2017
4.	Karen Fowler	Co-opted	01/09/2014	31/08/2017
5.	Steve French	Parent Governor	01/09/2014	31/08/2017
6.	Samantha Jury-Dada	Co-opted	01/04/2017	31/03/2020
7.	Lesley Morrison	Co-opted (Chair of Learning and Teaching Committee)	16/12/2016	15/12/2019
8.	John Taylor	Principal	01/09/2017	N/A
9.	Tony Roberts	Co-opted	01/09/2014	31/08/2017
10.	Vacancy	Parent		
11.	Vacancy	Co-opted		
12.	Vacancy	Co-opted		

The following governors have come to the end of their first term;

- Rao Bhamidimarri
- Karen Fowler
- Natalie Ferer
- Tony Roberts

All have indicated willingness to serve a second term. The Chair recommends their re-appointment with immediate effect. The length of service of all local governors is three years. Subject to remaining eligible to be a local governor, any local governor may be reappointed or re-elected at the end of his or her term.

Please note that Steve French's term as a parent governor has also come to an end. There are now two vacancies for parent governors. The school will be seeking nominations to fill the vacancies and will hold an election if required.

2. Membership of Learning and Teaching and Finance and General Purposes Committee

The LGB is requested to note the current membership of the Learning and Teaching and the Finance and General Purposes Committees;

Learning and Teaching Committee

- Lesley Morrison (Chair)
- John Taylor (Principal)
- Karen Fowler
- Rao Bhamidimarri
- Steve French
- Tony Roberts

Finance and General Purposes

- Natalie Ferer (Chair)
- John Taylor (Principal)
- Michael Broadway
- Rao Bhamidimarri

- Claire Viner (in attendance)
